COMPLETE IMMERSION

M10 · M119

Mobile Immersion Tanks

ELEKTIGER · Stage 04 — Complete immersion

OVERVIEW

Folding immersion tanks for parking-lot storage (M10) and fire trucks (M119).

Mobile immersion tanks set up in dedicated stands in indoor and outdoor parking lots and moved to the fire-involved vehicle in case of fire. Complete suppression uses the battery immersion method, and partial or targeted suppression is also possible. The M10 is a portable immersion tank for common areas and indoor parking-lot storage; the M119 is installed on responding fire trucks. Setup takes 15 seconds with two people.

15 s	~120 kg	Sedan–RV
setup by 2 people	aluminium tank	applicable vehicles

FUNCTIONS / FEATURES

06 FEATURES

01

Complete Fire Suppression

Battery immersion method for complete suppression.

02
