HELMETS & BOOTS

SCA 1205RD

Firefighting Helmet — Two-Visor System

MODEL · SCA 1205RD

OVERVIEW

PEI (ULTEM) shell with inner visor and face shield for extensive face protection.

A firefighting helmet with a two-visor system for extensive face protection and an inner cradle net of aramid fabric for exceptional comfort in long operations. The PEI (ULTEM) shell provides best-in-class protection against mechanical, thermal and flame hazards, and the neck protector is made of heat-resistant, flame-retardant material.

< 1.4 kg	52–64 cm	PEI
helmet weight	one size fits all	ULTEM shell
